In one sense, perhaps it is unfortunate that the referendum will not be conducted on Nov. 2. The large vote that is assured in this election would have brought forth an accurate portrayal of public opinion on this question. As it now stands, it is possible to force a special election on this issue at a later date at which time it would be much more difficult to attain a large vote. In such an election, prohibitionists would have a better chance for success.

The Washington Merry-Go-Round

BY DREW PEARSON

Washington. - The record of Congress during recent years is not unlike the present garbled politics of the country. Party lines have been cut. Republicans sometimes voted with Democrats; some Democrats lined up with Republicans.

This will probably continue. It will probably also be true that Dewey will get as much support from certain Democrats as he will from some Republicans. On international issues-now probably the most important before Congress-it is certain that most Democratic senators will give him more backing than such isolationists as Brooks of Illinois, Dworshak of Idaho, or Robertson of Wyoming.

In fact, the irrepressible, lovable Congressman John Taber has already served notice that the G. O. P. isolationists are planning to give brother Dewey a rough time on two issues-economy and international cooperation.

Electing the right kind of Senate, therefore, is second only to the election of president. With this in mind, here is the Merry-Go-Round roll-call of U. S. senators up for election next month:

Joseph Ball, Republican, Minnesota-A mixed-up personality who gets tangled in his own emotions. A former newsman, Ball came to the Senate determined to do right, but when he swung to Roosevelt in 1944 he was so ostracized by his own Republicans that, to win back their favor. he swung to the reactionary extreme. Joe has now been on so many different sides of so many different fences that he has lost his usefulness

Styles Bridges, Republican, New Hampshire-A tough, forthright scrapper who has usually voted against his isolationist G. O. P. colleagues. He watches pennies, raises cain over too much spending and frequently votes against the G. O. P. reactionaries. Bridges is an asset to the Senate.

"Curly" Brooks, Republican, Illinois-Brooks has been opposed to almost all of Dewey's New York record. A likable personality with a charming wife, Brooks is wholly controlled by the Chicago Tribune and is almost proud of it. If re-elected he will be in Dewey's hair on many issues.

William Winkel Wins Top Honors At Annual Schoolcraft Spud Show

be Schoolcraft county's greatest shown than formerly. potato year, both from the standpoint of quality and quantity, William Winkel, of Cooks has been adjudged worthy of top honors and has been awarded the Schoolcraft County Potato show cup, the presentation having been made at the show banquet held at the Knights of Columbus hall Wednesday evening.

Mr. Winkel's crop, which ran 631.6 bushels to the acre, was 508.0, 1592 points. somewhat under that of Pawley Farms, Gulliver, which harvested 653.28 to the acre, but in the analysis which included such items as quality and preparation of the soil for the crop along with cultivation, etc., the Winkel crop garnered 1741 points to 1603 for Pawley Farms.

Dickie Demars, of Cooks, again won the cup for outstanding spud production among 4-H Club growers, growing 542 bushels to the acre. He had plenty of stiff competition, however. William Strassler of Cooks and Joe Hardy Jr., pint size juvenile farmer, raised 465 and 450 bushels per acre. A special trophy, provided by

the Manistique Lions club, was awarded Dale McEachern, son of Mr. and Mrs. William McEachern, of Cooks. The youngster, eight years of age, raised an acre of potatoes unassisted, except with spraying, and produced a crop of 521 bushels, 517 of which were graded U. S. No. 1s.

Exhibits at the show, while not as large as in former years, were Blue. outstanding in their perfection. Gerald Watson, Gulliver, Red.

Minnesota Looking For Inspiration For Tilt With Michigan

Minneapolis, Oct. 21 (AP)-Want-One "Gimmick." Contact Bernie Bierman, head football coach, University of Minnesota

That's an advertisement you never will see, but it very well describes Bierman's mental attitude. He has been seeking a "Gimmick" or twist with which to key up his Gopher football team for the game this coming Saturday with Michigan.

All week long he has been trying various combinations of players. He has worked the team on pass defense, fundamentals, old plays, new plays-virtually everything in the book.

The reason for Bierman's hunt for a new inspirational angle is Stambaugh the Gopher's spotty, uncertain Crystal Falls 4 3 0 performance so far.

Derricotte Likely To Play in Gopher Battle Saturday

Ann Arbor, Mich., Oct. 21 (A)-Michigan's practice lineups this week indicate Gene Derricotte, the Defiance, O., flash-back, will have a role in the annual slugfest with Minnesota Saturday. The Gophers have a first-line

familiarity with the Ohio Negro star. He was in last year's tight 13-6 game for one play in which he sliced through tackle for the game-winning touchdown. Derricotte hasn't played since

he suffered a leg injury in the opener against Michigan State S. Ste. Marie . college. Thanks to a lanky blond sophomore from Milwaukee, Wis., named Charley Ortmann, the Wolverines haven't suffered much

Observers feel little change will be made as far as offense is concerned because Ortmann has drawn little but praise in filling the inherited tailback assignment on the powerful Michigan squad. A purely defense assignment for Derricotte would probably give some measure of protection to his injured knee in the heavy action

Eskys Seek 6th Victory

The Escanaba Eskymos will be host to Marinette Saturday afternon, while the St. Joe Trojans battle the Mustangs in Munising in the 1948 renewal of the "Little

Brown Jug" series. Seeking their sixth victory, the Eskymos will meet a Marinette erably since its 14-13 loss to Iron Mountain, a team that Escanaba shellacked, 33 to 0, last Saturday. Marinette gave evidence it will be a factor to reckon with by walloping Antigo, Wis., 34-0, last week. The Eskymos, however, are in-

tent on adding the Wisconsin eleven to their list of victims. Since the Menominee encounter, Coach George Ruwitch's gridders have played with pjoise and confidence befitting a champion, and it is an Eskymo camp byword that "If we play against. Marinette the way we did against Kingsford and Iron Mountain, we'll gain ample revenge for that 27-7 loss in Marinette last season."

Meanwhile, St. Joe is catching

on fire for the Munising battle. Chagrined by the 7-0 upset loss in Crystal Falls Saturday, the Trojans are eager to regain their stride. Their record now stands at won three and lost three, and they'll be out to hurdle the .500

Although Munising boasts an unbeaten team, the "jug" series is such that anything can happen, and Coach Tom St. Germain and his cohorts hope that will mean a St. Joe triumph.

For Penn Staters East Lansing, Oct. 21 (A)-The rugged practice sessions in the

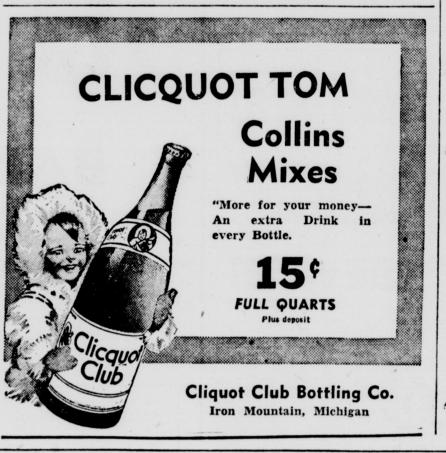

State game Saturday. Scrimmage session injuries have laid up end Warren Huey and tackle Pete Fusi, both slated for the starting lineup. Huey and Fusi are being kept under wraps at the college hospital but it is hoped the rest will have them both

ready to go at game time. Huey, one of Biggie Munn's most dependable veterans, is down with an ankle sprain. Fusi suffered a knee injury.

Huey won the "most valuable player award" at Michigan State last year and his loss would be a big blow to Spartan hopes. His defensive play against Michigan and Notre Dame won him honorable mention in the Associated Press "lineman of the week" selection both weeks.

Fusi, 210 pounds of toughness at tackle, also operates as the team jester off the field. His clowning helps to keep the Spartans a happy team and his gags would be missed almost as much as his weight in the Michigan State forward wall.
